

HempLETS Directory September 2024

Offers and Wants

This Directory lists members' offers and wants. The right-hand column shows the member's account number. Use this to find a member's contact details in the "Membership by Account Number" list that accompanies this Directory. New offers and wants are highlighted in bold.

You can hand new entries to Naomi or Nigel Stevens or other Committee Members at Talk and Trade or email them to nigel.stevens@hemplets.org. Also please contact Nigel if any changes or corrections are needed.

Protecting Your Data

You're welcome to show this Directory to your non-member friends and relatives so they'll see how great our group is and hopefully want to join us. But PLEASE don't show them anyone's contact details. That way only bonafide members will be aware of this information.

General Trading Information

- ☺ Only the account holder can authorise the transfer of Hemps out of their account into another Member's account. HempLETS Credit Notes and Trading Sheets can be sent to members on request. If you are unable to print them or run out please contact the Hemplets Administrator. Dating Credit Notes is particularly important for record keeping. It also makes any queries much easier to answer.
- ☺ Please ensure your Trading Sheets and Credit Notes are clear and easy to read. This will ensure transaction recording is accurate and that accounts are updated accordingly.
- ☺ Trading Sheets and Credit Notes can be posted in the red postbox at Talk and Trade or emailed to hemplets@naomistevens.co.uk or nigel.stevens@hemplets.org

Trading at Talk and Trade

- ☺ HempLETS hires the hall for Talk and Trade (T&T) between from 7pm to 9.30pm.
- ☺ Complimentary refreshments are served at every T&T meeting.
- ☺ During T&T please do not hang any items from the light fittings or under the ceiling tiles as HempLETS will be charged for any damage.
- ☺ You are restricted to goods being sold for Hemps or part Hemps.
- ☺ Please use the HempLETS Post Box for newsletter items, directory entries, membership subs/renewals plus credit slips. You will find the huge red post box at T&T on the tea hatch along with extra trading sheets and spare pens.
